1932-33 should be revised to Rs 41848
which while the liability to revision
with reference to the subsidy payable
towards the entertainment of
adol teachers classes in Govt. 1273 Edn by S.E. 31 P. / not put up
Govt no 1291 Edn by 28.7.31 and the grant any
reduction that may be made as a
measure of retrenchment in the

ii) It is reported that additional teachers are need for Mallar & Wadi Industrial schools for 2 girls schools, many of the full schools have inadequate accommodation that 11 boys Schools are without suitable buildings that and are not properly ventilated and that a few schools are in need of additional furniture. The deficit should be funded as soon as funds become available.

iii) It is observed from the amended scale of pay as shown in the B.E. for 1932-33 is lower than that sanctioned for 1931-32 and that it is now proposed to adopt a revised scale of pay which is almost the same as that in force in 1931-32 now proposed to be revised, for which an additional provision of Rs 22 lacs is required to have been made. The D.P.I. is requested to explain the discrepancy.

2. It is observed that of the schools taken as fit for grant under the grant

R[illegible] 1931-32 33020 [illegible] 50 to Rs 29 [illegible] in the BE for 32-33,

BE for 1932-33 52520 4 [illegible] stands to Rs 41048, which is

alterations referred to in para 4 again [illegible] subject to revision as indicated above, the total receipts which have to be revised to Rs 65-76 against an expenditure of 74, 150 provided for in the BE, resulting in a deficit balance of Rs 92/- / Rs 9 are giving margin for the opening balance of Rs 5290. The Board is therefore advised to curtail its expenditure
